

PRAYER POINTS

Paris

John and Sue Wilson could not be where they are today without your prayers. Please continue to pray for them and their work with Baptist churches in France:

1. Pray that God will guide churches in Paris as they prepare to welcome visitors and ask that many people will discover the abundant life that comes through knowing Jesus Christ.
2. Pray that God will powerfully speak to people who read the Olympics-themed edition of the New Testament and ask that they will also be moved by the written testimonies shared by Christian athletes.
3. Give thanks to God for France-Lise and her work as a prison chaplain. Pray that she and her team will be able to care for the needs of prisoners and be messengers of hope.
4. Give thanks to God for how John and Sue Wilson have served with BMS World Mission for 36 years and pray that they will settle back into life in the UK as they come to end of their time of service.
5. Pray that God will guide and equip the 14 young men and women who are preparing for full-time ministry in Baptist churches across France.
