

PRAY FOR The Hamlet Family

Ingrid and Roger Hamlet are serving at Guinebor II Hospital (G2) in Chad, along with their two children, Mark and Joel. Use these points from Ingrid and Roger to guide your prayers for their work and for G2 Hospital.

1. Pray for the planning phase of the new prosthetics and orthotics department that Ingrid and Roger are setting up. Pray that they'll get the right advice at the right time from other similar centres in Chad. Pray that the advice they get will guide their decision-making around what equipment and materials they'll need as they start this project.
2. Pray for Mark and Joel, that they continue to happy and healthy in Chad. Pray that the whole family will be cautious about looking after their health.
3. Pray for the Hamlet family as they continue their language study. Pray that Mark and Joel will adapt quickly to their new French-language school and make new friends. Pray that Ingrid and Roger won't be discouraged by the challenges different languages present during the day-to-day work at G2, and that they will pick up Chadian Arabic really quickly.
4. Pray that the hospital would continue to be a really great Christian witness to the community. Pray that people would come with questions and be willing to explore matters of faith. Pray too for the chaplaincy team at the hospital, that they will be able to minister to people well.
5. Pray for the everyday running of the hospital, particularly for the surgical team as they work hard to keep up with demands. Pray that all the patients being seen would heal well and experience something of the love of God while they're there.
